

at the ZOO!

Largest Earth Day celebration in North America with over 100 zoos and aquariums participating. Be part of our celebration on Sunday, April 24th from 1-3pm.

Here's some of the activities we've got planned—

- Making Plastic Monsters in the ZEC with EFOF docents
- Bird Watching with Marvin Kuehn and friends
- Bugs in Your Backyard in the backyard of ZEC with EFOZ docents
- Making Better Bags in ZEC parking lot—bring your old t-shirts, EFOZ docents
- City Recycling program with Recycling Board & Tina Weeks
- KS Dept. of Health and Environment, Kathleen Waters, talking Air Quality in the concession stand
- Keeper Talk with Lisa Keith in front of the Tamarins
- Angela Anderson, Water Conservation by the Pet Memorial
- Susie Aber & ESU students on Zoo Rd making constellations
- Carolyn Turney and Master Gardeners composting and planting sunflowers on Zoo Rd
- Pollinators with NRCS in front of the Bobcat
- Making Seed Bombs with Mark Lee in front of the Muntjacs
- Mountain Lion expert, Matt Peek from KDWPT, in front of Mountain Lion

Creating Wildlife Friendly Families
